

CWCF data use

agreement

3/02/2020

Dear CWCF Family,

With data protection being what it is today, there is a need for even a small charity like ours to have an agreement signed by yourselves.

We hold your personal information on one or more of these following systems; an excel spread sheet, in our e-mail system, on our Facebook page or other forms of social media and on referral notes in your file.

We use the information to be able to contact you regarding wishes or family treats and of course about attending family events.

To comply we will need the main person in your family to fill out the form below and by doing so they will be signing on behalf of all your family members

We will not be sharing your details with any other third party without checking with you first. It will normally be about delivering your wish, so we need to tell the delivery company

Unfortunately, until we receive this form back, we will not be able to do any of the above or send you invites for all the events we put on.

Chris Downton
